# Our Lady of the Rosary

## Pastor's Note(s):

### A Special and Major Donation:

It doesn't happen often but when it does, it is a most welcome and encouraging expression of love for the Church and for everything it represents. A parishioner couple, who wish to remain unnamed, have made a major donation of \$24,000.00 towards paying down the Lake Bank loan recently incurred in support of the upgrades to our Church Lighting System. Accordingly, their donation has been added to the Building and Improvement Fund.

The donor couple share my hope that other parishioners will see in their gift to the parish an invitation to play their individual part, however large or small, in supporting not only the Building Fund but also the General Fund of the Parish through the envelope and plate collection on weekends. The General Fund covers the costs of personnel and programs as well as utilities, insurance and other obligations. Designated Funds like the Building Fund cannot be used for those purposes.

Thank you for your past generosity and of course going forward. Special thanks to our donor couple who have helped us move to a new place in serving the Lord together on the North Shore!

With every blessing! *Fr. Michael*
